## SHARE PURCHASE PLAN TERMS AND CONDITIONS

### **AXA APH Share Purchase Plan**

AXA Asia Pacific Holdings Limited (AXA APH) is pleased to provide eligible AXA APH shareholders with the opportunity to participate in the AXA APH Share Purchase Plan (SPP) by contributing up to A\$10,000 in applying for new fully-paid ordinary shares in AXA APH (AXA APH Shares) without incurring brokerage or other transaction costs. Details of this offer and how to participate are set out below.

### **Background to the SPP**

On 18 March 2009, AXA APH announced that it had raised A\$500 million via a placement of AXA APH Shares to sophisticated and professional investors (including AXA APH S.A.) at an issue price of A\$2.85 per share (Placement). At that time, AXA APH also announced that the Placement would be accompanied by an SPP under which eligible shareholders will be entitled to contribute up to A\$10,000 in applying for AXA APH Shares.

The SPP is part of AXA APH's ongoing capital management programme to further strengthen its balance sheet and reduce its gearing ratio.

### **Eligibility to participate in the SPP**

You are eligible to participate in the SPP if you were a registered holder of AXA APH Shares at 7.00pm (Melbourne Time) on 20 March 2009 (Record Date) with a registered address in Australia or New Zealand. AXA APH has determined that it is not practical for holders of AXA APH Shares with registered addresses in other jurisdictions to participate in the SPP.

- **Single holders:** If you are the only registered holder of a holding of AXA APH Shares, but you receive more than one offer under the SPP (eg due to multiple registered holdings), you may contribute a maximum of \$10,000 in applying for AXA APH Shares.
- **Joint holders:** If you are recorded with one or more other persons as the joint holder of a holding of AXA APH Shares, that joint holding is considered to be a single registered holding for the purpose of the SPP, and the joint holders are entitled to participate in the SPP in respect of that single holding only. If the same joint holders receive more than one offer under the SPP due to multiple identical holdings, the joint holders may contribute a maximum aggregate of \$10,000 in applying for AXA APH Shares.

- **Trustees and nominees:** If you are expressly noted on AXA APH's share register as a trustee or nominee for a named beneficiary, you may apply for one maximum parcel of AXA APH Shares in respect of each such beneficiary. If the AXA APH share register does not record a named beneficiary in respect of your trustee or nominee holding, the rules for multiple single holdings apply.

To the extent that you hold shares on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that any acceptance complies with all applicable foreign laws.

The AXA APH Shares to be issued under this SPP have not been and will not be registered under the U.S. Securities Act of 1933, as amended (**Securities Act**), or the securities laws of any state or other jurisdiction of the United States.

In order to comply with relevant securities laws, the AXA APH Shares to be issued under this SPP may not be offered to shareholders located in the "United States" or to shareholders who are, or who are acting for the account or benefit of, "U.S. persons". As used herein, the terms "United States" and "U.S. persons" are as defined in Regulation S under the Securities Act.

Because of these legal restrictions, you must not send copies of the SPP Terms and Conditions or any other material relating to the SPP to any person resident in the United States or who are, or are acting for the account or benefit of, "U.S. persons".

Consistent with the warranties contained in these SPP Terms and Conditions and the SPP personalised Application Form included in these SPP Terms and Conditions, you may not submit any completed personalised Application Forms or pay application money for any person resident in the United States or who are, or are acting for the account or benefit of, "U.S. persons". Failure to comply with these restrictions may result in violations of applicable securities laws.

### **Participation is optional**

Participation in the SPP is entirely optional (subject to the eligibility criteria set out above). The offer to acquire AXA APH Shares is not a recommendation. If you are in any doubt about this offer, whether you should participate in the SPP or how such participation will affect you (including taxation implications), you should contact a professional adviser. AXA APH also recommends that you monitor the AXA APH Share price, which can be found in the financial pages of major Australian metropolitan newspapers, or on the Australian Securities Exchange website at [www.asx.com.au](http://www.asx.com.au) (ASX code: AXA).

### **Amount to be raised under the SPP and scaleback**

AXA APH has the discretion to determine the amount to be raised through the SPP. AXA APH will scaleback applications if it receives applications of more than approximately A\$185 million. A "scaleback" is a reduction in the allotments of AXA APH Shares (compared to the parcels applied for) that AXA APH will undertake if it receives applications under the SPP for more AXA APH Shares than it wishes to issue.

If applications are scaled back, AXA APH will determine the amount to be scaled back in respect of each applicant having regard to the applicant's proportional interest in the company. Following allotment of the AXA APH Shares, any refunds following a scaleback will be paid in the same way as dividends are currently paid. That refund will reflect the difference between the AXA APH Shares issued to you and the parcel you applied for (calculated at the offer price), without interest.

If a scaleback produces a fractional number of AXA APH Shares when applied to your parcel, the number of AXA APH Shares you will be issued will be rounded down to the nearest whole number of AXA APH Shares.

### **Offer price**

The offer price for each AXA APH Share under the SPP will be the lower of:

- A\$2.85 (the offer price for the Placement); and
- a 2.5% discount to the average of the daily volume weighted average market price of AXA APH shares calculated on each trading day over the 10 ASX trading days starting on 4 May 2009 (not including any transaction defined in the ASX Market Rules as "special", crossings prior to commencement of normal trading, crossings during the after hours adjust phase nor any overseas trades or trades pursuant to the exercise of options over AXA APH shares and any other sales which the directors of AXA APH and the underwriters consider may not be fairly reflective of natural supply and demand), rounded to four decimal places.

Therefore, the maximum price that shareholders eligible to participate in the SPP will pay is A\$2.85 per AXA APH Share.

You should note that the AXA APH Share price may rise or fall between the date of this offer and the date when AXA APH Shares are issued to you under the SPP. This means that the price you pay per AXA APH Share pursuant to this offer may be either higher or lower than the AXA APH Share price at the time of the offer or at the time the AXA APH Shares are issued to you under the SPP.

### **Calculation of the number of AXA APH Shares to be issued to you**

If you apply for AXA APH Shares under the SPP, you will be agreeing to contribute a certain amount in buying AXA APH Shares rather than applying for a certain number of AXA APH Shares. The number of AXA APH Shares you receive will be determined by:

- if there is no scaleback applied to your application, dividing the amount you agree to contribute in applying for AXA APH Shares by the offer price, once it is determined; or
- if there is a scaleback applied to your application, dividing the amount you are deemed to have contributed by the offer price, once it is determined.

If this calculation produces a fractional number, the number of AXA APH Shares you will be issued will be rounded down to the nearest whole number of AXA APH Shares.

*For example, in the absence of scaleback, if you apply for A\$10,000 of AXA APH Shares and the offer price is \$2.85 per AXA APH Share, you will be issued 3,508 AXA APH Shares.*

If the number of AXA APH Shares you are issued is rounded down, the amount you contributed in applying for AXA APH Shares will be slightly greater than the amount you are deemed to have contributed for AXA APH Shares and either:

- if there is no scaleback applied to your allotment, any such excess will be donated to a charity chosen by AXA APH. You will not be paid a refund for this amount, which will always be less than the price of one AXA APH Share issued under the SPP; or
- if there is a scaleback applied to your allotment, any such excess will be refunded to you by including any such excess in the refund AXA APH will make as set out in the section "Amount to be raised under the SPP and scaleback" above.

### **How much can you invest?**

The offer under the SPP needs to comply with the relief issued by the Australian Securities and Investments Commission (**ASIC**). Under that relief, eligible shareholders may only contribute a maximum of A\$10,000 in applying for AXA APH Shares under a share purchase plan in any 12-month period. AXA APH has not conducted a share purchase plan in the preceding 12 months.

Under the SPP, you may contribute set amounts of A\$1,000, A\$3,000, A\$5,000, A\$7,000 or A\$10,000. This limitation applies even if you receive more than one personalised Application Form or if you hold shares in AXA APH in more than one capacity (eg if you are both a sole and joint holder of shares in AXA APH – see the "Eligibility to participate in the SPP" section above).

This parcel may be subject to a scaleback and rounding.

By submitting the personalised Application Form (together with a cheque, bank draft or money order) or by making a BPay payment,

you certify that the aggregate of the application price paid by you for:

- the AXA APH Shares the subject of such personalised Application Form or B<sub>PAY</sub> payment; and
- any other AXA APH Shares applied for by you under the SPP or any similar arrangement operated by AXA APH in the 12 months prior to the date of submission of the personalised Application Form or B<sub>PAY</sub> payment,

does not exceed A\$10,000.

The A\$10,000 limit applies irrespective of the number of AXA APH Shares you hold on the Record Date. AXA APH reserves the right to reject any application for AXA APH Shares under the SPP to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements.

#### **Non-renounceable offer**

The offer to purchase AXA APH Shares under the SPP is non-renounceable. This means that you cannot transfer your right to purchase AXA APH Shares under the offer to anyone else.

#### **No other participation costs**

No brokerage, commission or other participation costs are payable by you in respect of the issue of AXA APH Shares under the SPP.

#### **Ranking of AXA APH Shares and right to receive final dividend**

All AXA APH Shares issued under the SPP will rank equally with existing AXA APH Shares from the date of issue, and therefore will carry the same voting rights, dividend rights and other entitlements as existing AXA APH Shares. AXA APH Shares issued under the SPP will not participate in AXA APH's final dividend for the financial year ended 31 December 2008, payable on 9 April 2009.

#### **Regulatory relief**

In Australia, the offer of AXA APH Shares under the SPP is made in accordance with an instrument of relief granted to AXA APH which is based on ASIC Class Order [02/831]. That instrument grants relief from the requirement to prepare a prospectus for the offer of shares under the SPP. In New Zealand, the offer of AXA APH Shares under the SPP is in accordance with the Securities Act (Overseas Companies) Exemption Notice 2002, which grants relief from the requirement to prepare an investment statement or prospectus for this offer.

### **Binding terms**

By accepting the offer to purchase AXA APH Shares under the SPP, you agree to be bound by these terms and conditions and AXA APH's constitution.

- **less than A\$1,000** – AXA APH will not allot any AXA APH Shares to you and will refund your application money to you;
- **greater than A\$10,000** – subject to any scaleback, AXA APH will allot the maximum number of AXA APH Shares to you and will refund the excess application money to you; or
- **for an amount between A\$1,000 and A\$10,000 that is not one of the designated amounts** – subject to any scaleback, AXA APH will allot to you the number of AXA APH Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your cheque or BPAY payment, and will refund the excess application money to you.

Applications must be received by **5.00pm (Melbourne Time) on 24 April 2009**. Applications received after that time will not be accepted. You should allow adequate time for personalised Application Forms and cheques or money orders forwarded by post to be received by our Registry, Computershare Investor Services Pty Limited.

AXA APH expects to dispatch a holding statement or confirmation advice in respect of the AXA APH Shares issued to you under the SPP on 22 May 2009. You should confirm your holding before trading in any AXA APH Shares you believe have been issued to you under the SPP.

### **Withdrawal, suspension, termination, anomalies and disputes**

AXA APH reserves the right to waive strict compliance with any provision of these terms and conditions, to amend or vary these terms and conditions and to suspend or terminate the SPP at any time. Any such amendment, variation, suspension or termination will be binding on all eligible shareholders even where AXA APH does not notify you of that event.
